Introductions

Welcome to our 26th Community Liaison Group Meeting.

The purpose of these meetings are to:

- Create a forum within which we can provide the local community with key information regarding the project.
- To allow us to explain what measures we will be taking to ensure that any disruption or inconvenience is either eliminated or kept to an absolute minimum.
- To enable the local community to ask any questions or raise concerns.

We are very grateful for you taking the time to attend the session this afternoon.

Community engagement

Initiatives

- McLaren have introduced Alex Talks our Community Liaison Coordinator. Alex will be taking the lead on all community matters, answering all queries relating to the project and ensuring all members of the community are communicated to with updates and relevant information in a timely manner.
- Inspections of the site boundary will be completed daily. Any observations and required actions will be recorded. Alex will also respond to any observations reported by 3rd parties.
- Newsletters and CLG meetings will continue.
- McLaren will be issuing notification to local residents of Saturday works in advance of them taking place with a four week look ahead issued at the same time.
- The works have been sequenced to complete the blockwork on Sackville St. and Albany Court as early as possible to create an additional acoustic and dust barrier.
- Over the coming weeks and months McLaren will constantly review the operations and look at new initiatives to support the community, we will continue to use this meeting as an opportunity to share them.
